Hey Lorrie, aka, John Gotti's daughter,

Poisonous, odious, potbellied, little dwarf. in Illinois state right now, Trump is fucked. I will take the money, as will Michelle Obama, who you met in Florida a few years ago. He's not going to like the way we fucked him. It's about the fucking cat!!

About your twin sons hanging out with Anthony and taliban Andre: No, I'm not going to kill them. I'm going to cut their dicks off. No, that's not worse. CHOOSE LIFE. GET USED TO IT!

Cut his head off. Definitely not a crucifix. They are still across the street from me right now. Marla's a bitch. Baby boys: little boys who talk too much. There is a lot of money on his red neck. Do you love your KIDS that much?!?

Sincerely,

Don (Dell) as a woman
