Sign out of Chrome - Computer

To sign out of your Google Account from Chrome, you can follow these simple steps on your computer.

How to sign out of Chrome

- 1 On your computer, open Chrome.
- 2 At the top right, select Profile and then **Sign out of Chrome**.

Official Google help source

*Tip: If you signed out of a Google Web Service like Gmail or your Google Account is in an error state, select **Remove Account from Chrome**.*

When you sign out of a Google Web Service like Gmail, to continue to save new data to your Google Account, you'll need to verify it's you.
