Where does the quote "Please sir, I want some more" come from?

AI Overview

The famous line "Please, sir, I want some more" comes from **Charles Dickens's** 1838 classic novel, [Oliver Twist](#).

Here are the key details of the iconic scene:

- **The Context:** The orphan Oliver is starving in a grim workhouse. After the boys draw lots, a terrified Oliver approaches the workhouse master during dinner to ask for a second portion of thin gruel. Homework.Study.com
- **The Original Text:** In the book, the full line is: *"Please, sir, I want some more."*
- **The Backlash:** The master is so shocked and outraged by Oliver's boldness that he calls the board of directors, and Oliver is promptly banished from the workhouse. Facebook · British Museum +2

While the line is often slightly misremembered as "Please, sir, *can* I have some more", it remains one of the most widely quoted and referenced lines in English literature. Reddit +1

You are likely looking for the famous "Minnie Driver" scene from *Absolutely Fabulous*. Edina's assistant, Bubble, famously gets incredibly confused when they discuss actress Minnie Driver, asking if she is a "dwarf" or a "mini driver".

The memorable exchange from the episode "Huntin', Shootin' & Fishin'" (Season 5, Episode 4) goes exactly like this:

Bubble: "Is it a dwarf? What, is it a dwarf? Why are you saying that, is it a dwarf? Stop saying that, that's just weird. Ask her if it's a dwarf... It's Mini Driver, Mini Driver! She's a huge Hollywood star!"
