I've got debts no honest man can pay.
One of my favorite lyrics ever.
Great to see young Bruce.

Clarence was so badass, he hit a cowbell with a tambourine, while wearing a white suit! Love you, Big Man.

Props to the cameramen for capturing all of the emotion in Bruce's face as he sang. Truly beautiful.

Why do people say he can't sing? He story tells just like Johnny Cash...I don't see people dissing the MAN IN BLACK

that's what they mean by soul. The Band's cover of this song is excellent but this version reaches another plane. Nils perfect complement on vocals.

Bruce and the ESB were absolutely brilliant at this time. Nils Lofgren played such an important part in creating this brilliance

Fun fact - "Well they blew up the Chicken Man in Philly last night." - Is a reference to the death of mobster Philip Testa, who was portrayed in the Irishman.
