Dr. Maxie Schmidt
2641 S Calumet Ave
Chicago, IL 60616

Dear Dr. Schmidt:

Congratulations! We are pleased to extend a conditional offer of employment with the National Security Agency (NSA) as a(n) Applied Research Mathematician, GG-0000, Grade 13 at \$105,030.00 base salary per annum with a TLMS Amount of \$48,314.00, giving a salary of \$153,344.00. Please note that salary schedules and locality pay rates are subject to change through Congressional action and are communicated to the public at large at the time of approval. Any changes to salary schedules and locality pay rates will be reflected in your pay once you enter on duty.

This salary offer is based on the education and work experience provided in your application. Any changes to this information throughout your processing must be discussed with your recruiter to affect any necessary updates to the offer. Should you successfully complete suitability processing and a final job offer is extended, this information will be re-evaluated at that time to ensure no changes have taken place that may impact the offer. If the information remains the same, there will be no adjustments to your offer except in cases where a new or revised pay schedule is approved. Should you have any questions about your conditional job offer please address with your recruiter.

To begin your employment processing it is critical that you complete the SF-86 security forms, which are accessible through the CESP platform. You will receive a separate e-mail with login instructions. Once you have logged in you will be able to access the SF-86 security forms and required release forms, which you must complete and submit within 15 days. If you do not submit your security forms within 15 days your processing may be discontinued.

This job offer is contingent upon receipt of official documentation of your degree(s) and/or certificates as appropriate. However, do not delay submitting your security forms pending receipt of your transcripts. Your Recruiter should have provided you with instructions of ways in which to submit this information to them.

As a result of the high personal and professional standards required of all employees, and the significant attrition rate during our pre-employment screening process, several job offers may be made to fill one position. Individuals who received a conditional offer of employment may be notified the position has been filled, their offers of employment may be withdrawn, and all employment screening activities underway for the current position may cease. In addition, the NSA may rescind a conditional offer of employment at any time without prior notice if adequate funding is not available or if other legal reasons prevent the NSA from maintaining the position for which the conditional offer was made.

The NSA is committed to maintaining an ethical culture and upholding the principles of ethical conduct. As an NSA employee, you will be subject to the Standards of Ethical Conduct for Employees of the Executive Branch as well as the criminal conflict of interest statutes. As a new employee, you will be required to receive initial ethics orientation within 3 months of appointment. In addition, you may be required to file the Confidential Financial Disclosure Report (OGE450) within 30 days of your appointment. If you have any questions about these requirements, or any government ethics issue, you should contact the NSA Office of the General Counsel, Administrative Law & Ethics Practice Group at (410) 854-3910.

For additional information regarding the NSA and what to expect during the hiring process please visit our website at www.intelligencecareers.gov/nsa/nsaapplicantportal.html. Here you'll find information regarding the progression of the candidate process, an overview of NSA's mission, and information regarding onboarding with the Agency.

In accordance with IRS Notice 2018-75 and GSA Bulletin FTR 18-05, many relocation entitlements are considered taxable income. Furthermore, a mandatory 22% Federal Withholding Tax (FWT), applicable 6.2% FICA Tax and 1.45% Medicare Tax is now withheld from all taxable entitlements. Employee relocation entitlements will be reduced by the applicable taxes. While federal law allows for substantial reimbursement of Federal and State taxes for employees that relocate on behalf of the government under 5 USC 5724b, in accordance with GSA guidance (GSA Bulletin FTR-18-05), new hires are eligible for this allowance and they cannot opt out. For more detailed information on these changes and a point of contact for questions, please reference the relocation information packet provided in your job offer package.

Again, we congratulate you on this conditional offer of employment. Please do not hesitate to call us at 1-844-ICHIRES if you have any questions. If, at any time, you wish to terminate your interest in NSA employment, please notify us immediately.

Sincerely,
