Celebrities Honoring Juneteenth

Many celebrities have used Juneteenth to share messages of freedom, history, and community pride. While there's no public record of them posting about their periods on the day, their Juneteenth posts and traditions often blend personal joy with cultural reflection.

Notable Juneteenth tributes include:

- **Oprah Winfrey** – Launched the *#LiftEveryVoice* initiative, featuring interviews with older Black Americans, and has used the day to honor activists like Opal Lee, the “Grandmother of Juneteenth”
